"Leave the Future Alone Until It Comes"

Summary

- Highly motivated, self-driven Software Engineering student with strong background in Android, Java, and Web development
- Quick learner, calm and patient with excellent interpersonal abilities
- Willing to embrace new challenges

Teaching Experience

ACM-ICPC Algorithms Lab *Sep 2016 - Present*

NORTH AMERICAN UNIVERSITY   *Sep 2016 - Present*
- Taught basic to advanced algorithms, data structures, competitive programming basics, math and coding
- **Tools:** Java, C++

Technical Skill

- **Expert:** Android · Laravel · Java · Kotlin · PHP · Javascript · MVC/MVVM/MVP · HTML/CSS · Mysql · XML · JPA · Gradle · AJAX · JQuery · Json · Database design
- **Advanced:** Spring · Hibernate · JavaFx · Swing · Algorithms · Git · Linux/Unix/Windows · C/C++ · Material Design · LaTex
- **Library:** Android Support Library · DI Dagger 2 · Retrofit · RX JAVA · Room · Data binding · Redis · Firebase · Firestore

Honors & Awards

2017	**3th place (Undergraduate)**, ACM ICPC South Central Regional Contestant	*Texas, U.S.A*
2017	**2nd place**, Major League Hacking, Hackathon	*Houston, U.S.A*
2016	**8th place (Undergraduate)**, ACM ICPC South Central Regional Contestant	*Texas, U.S.A*
2015	**5th place (Undergraduate)**, ACM ICPC South Central Regional Contestant	*Texas, U.S.A*
2014	**3rd place**, International Eurasian Olympiad	*Kazakhstan*
2013	**3rd place**, International Eurasian Olympiad	*Kazakhstan*
2015	**1st place**, State Programming Olympiad	*Kazakhstan*
2014	**2st place**, State Programming Olympiad	*Kazakhstan*
2015	**1st place**, KATEV Computer Science Olympiad	*Kazakhstan*
2014	**1st place**, KATEV Computer Science Olympiad	*Kazakhstan*

Education

NAU (North American University)   *Stafford, TX, USA*

B.S. IN SOFTWARE ENGINEERING AND COMPUTER NETWORKING (**EXPECTED GRADUATION: FALL 2019**)   *Jan 2016 - PRESENT*
- **Overall GPA:** 3.88 **Major GPA:** 3.94

Projects

Library

ANDROID APPLICATION
- Helps to avoid book cycle • Track books for availability • Time efficiency

Shanyrak

WEB APPLICATION FOR KAZAKH(PPL FROM KAZAKHSTAN) COMMUNITY IN HOUSTON
- Out of school program schedule online • Upcoming events and meet-up • Written in PHP • Laravel Framework

Interview me

MOBILE APPLICATION
- 2nd place in MLH Hackathon • Helps recruiters in their hiring process and language instructor in speaking sections
